**The boeman klopper club  
The boogeyman beater  
club [bjstarink.com](http://bjstarink.com)**

**This is a new boogeyman beater club book  
written by Blue Sky and Blue sky along with  
the supreme boogeyman who tells the story of  
Woods who doesn't**

**know how or what or even where he is...  
woods is a normal ordinary boy who goes to  
school just like everyone else but Woods is  
also a boy who got himself into a lot of trouble  
without knowing how he managed it at all.....  
Woods is left to his own devices in a forest and  
open plain where kings are born under the  
boogeyman's moon!**

**this book was written by Blue Sky along with  
the supreme boogeyman and we hope you  
enjoy it as much while you read it as we did  
while we wrote it, because every boogeyman  
beater**

**club book or story is one to cherish!**

**Woods wakes up in an open plain with nothing  
but trees under a full moon with a busy school  
day ahead tomorrow...**

**He doesn't know how to get there, he doesn't  
know where he is and hears strange noises**

like footsteps without seeing anyone walking.  
And moaning and groaning sounds, including  
whistling and hums...

He doesn't know where the sounds are coming  
from and runs away, but wherever he runs  
the sounds continue to haunt him...

He soon sees a shadow where 1 shadow  
changes into about 30.

He runs away from the force majeure because  
he is alone and alone you are simply not  
strong enough but he just does not escape it.

Every step he takes forward seems to be a  
step backwards... He hears the hums and  
moans coming closer and closer and closer and  
closer with each step he takes...

Hubba-Hubba-Hubba-Hoppa-Hubba-Hubba-  
Hubba-Hoo

Hubba-Hubba-Hubba-Hoppa

Hubba-Hubba-Hoppa-Hoo

He sees a shadow in front of him a small  
shadow and one and a little man with a  
pointed hat looking at him from the cold

ground where snow falls from the sky on a warm summer night! then it turns out that the shadows are all gnomes who each have a book in their hands they walk up to him with a lot a lot and hum

Hubba-Hubba-Hubba-Hoppa-Hubba-Hubba-Hubba-Hoo

Hubba-Hubba-Hubba-Hoppa

Hubba-Hubba-Hoppa-Hoo

hoppa

Then they pick him up and run away with him before throwing him in front of a giant pyre.

These gnomes turn out to be a witch circle or something Woods shouts:

LET ME GO, LET ME GO, WHAT HAVE I DONE YOU WRONG JUST LET ME GO!

They stand in a circle around him and one after the other shoots through the air like a laser beam from a plasma cannon ....

Every gnome seems to go to his destination after saying the words  
hoegieboegieboegedieboe....

**But they're back just as soon after a hoo-boo-boo-boo-boo sounds in the air and they surround him again with the entire leprechaun army.**

**Then they change and become one and the same big gnome with gigantic long hair and huge teeth....**

**And the pyre grows bigger and bigger as the fire changes color and the black sky turns blood red.**

**Woods tries to escape but the giant gnome does nothing but laugh at him and lift him and throw him until woods flies through the pyre and multiplies the gnome again into dozens of smaller gnomes....**

**They all say the words**

**hoegieboegieboegedieboe in unison and the moon goes down and woods sees a face looking down on him and a claw coming down from the sky where woods thinks his last hour has come he is lifted up and by the air ends up in a**

**completely different world, literally and figuratively...**

**There are dinosaurs walking and everything is black and devastated then he is teleported back to the open plains as the rain burns on his skin and the gnomes melt away and the sun rises again then he feels a hand on his shoulder and sees his mother behind him standing there telling him to sleep even though he is now on vacation from school.... They lost him and he lays down on his bed in the caravan and is gone immediately with the other world still in his head and he dreams about being the king of fearland feartopia and where the gnomes and boogeyman but all the dinosaurs go to him and just listen to him! Woods becomes king of Fearland Feartopia in his sleep when he is nothing more than an**

ordinary boy in his everyday life and he is at peace with it!

The next day when Woods wakes up, he realizes that something has happened but he doesn't know what!

And doesn't remember the night of yesterday where he stood against a force majeure of boogiechans and won the fight like a real champion!

Only he has no belt or proof to prove that he did win the fight against those infernal gnomes, so no memory of the fight that had even scared Diabolico!

Only when the sun goes down he hears the same hum as yesterday and his memories of the boogiechauns slowly come back he hears:

**Hubba -Hubba-Hubba-Hoppa-Hubba-  
Hubba-Hubba-Hoo**

**Hubba-Hubba-Hubba-Hoppa**

**Hubba-Hubba-Hoppa-Hoo**

**Hubba-Hubba-Hubba-Hoppa-Hubba-  
Hubba-Hubba-Hoo**

**Hubba-Hubba-Hubba-Hoppa**

**Hubba-Hubba-Hoppa-Hoppa-Hoppa-Hu**

**Hubba-Hubba-Hubba-Hoppa-Hubba-  
Hubba-Hubba-Hoo**

**Hubba-Hubba-Hubba-Hoppa**

**Hubba-Hubba-Hoppa-Hoppa hoe**

**His laugh fades quickly when the first  
boogiebouter makes himself presentable and  
looks at him with razor sharp teeth dripping  
with drool the rest of the boogiebouters soon  
form an army full of starving and bloodthirsty  
witches, their pointed hats also turning into a  
gigantic monster grabs him and the other  
pointed hats form a cauldron and a fire...**

**The giant boogiechaunspointhat monster  
tosses it into the cauldron and the starving  
boobies sing to the fire**

**Hugela-Boegela-Boegela-Boegela-Boom**

**And there the boogiechauns shoot through the  
air like bright spots and there is nothing but  
chuckles....**

**And a giggle in the night where the moon still  
laughs last and watches over the boogiechans  
like a mother over her child!**

**The gnomes will be back soon and they'll once again form a gigantic giant gnome with a pointed hat monster that will blow your mind! Then two hands and a figure form in the dark night that lifts him up and puts him back in Fearland Feartopia where he once again rules the land and where the dinosaurs or the Boegedie-Boegedie monsters roam free all over the land and all the beautiful things that Fearland has destroy by consuming everything as if there was no Feartopia but a real wasteland full of black and dead plants filled with panic and filled with hatred where it used to be so beautiful and peaceful!**

**We have described these monsters before, but these are real unadulterated killers who eat everything that is beautiful and peaceful to Angstland and leave nothing but a black mush! Woods points his finger and sends an army of bogeymen at the monsters and I should know and so would Blue Sky because we were in that army!**

**We had to fight against our worst fear the same as you did to us and it wasn't easy I'll tell you because the Boegedie-Boegdie monsters were left with nothing but disaster and destroyed everything they came across just to get us!**

**Purely to make us boogeymen and girls feel that their only real fear and we boogeymen and girls didn't matter!**

**And no matter how scared we were of course we fought but the monsters were too strong and after they almost got us Woods was happily awakened by his mother who said he should wake up ...**

**We were literally saved at the last minute, and we are thankful to her for that!**

**But when we are redeemed, only Woods who rules our planet knows as one of the best but also the only person who deserves this honor! Woods has been chosen to lead us but I wonder where he leads us!**

**Is that redemption as we all think or does he  
lead us straight to the abyss?  
anyway he is awake now and we will let him  
remember the dream this time see what that  
brings us...**

**A lot has happened around him and not  
everyone knows this but Woods has been a lot  
of everyone's laughingstock but no bully has  
been able to break him so far and no bully  
knows what he is up to....**

**That's why he is the chosen king of Fearland  
because if you don't let a bully get you down it  
doesn't matter what but if you beat the bullies  
and don't let yourself be bullied then you  
might become the new king or queen of  
Feartopia!**

**Because nobody likes a bully only bad people  
and bad people are not welcome in Fearland  
any more than the boogedie-Boegedie  
monsters!**

**And not everyone knows this either but we may have the power to make you dream but also to wake you up from your dream or nightmare when it gets too bad or scary but you are the one who sends it!**

**You are the one who sends your dreams with your own fantasy to where you want your dreams to end!**

**And just like Woods sends an army of boogeymen and girls on a manhunt after the Boegdie-Boegdie monsters!**

**There are many tales of the boogeyman known, some more dangerous than others but we at the boogeyman knocker club are telling you right now the story of Woods who in his sleep is king of Fearland and hopefully rescues us from the worst nightmare ever to exist in our world and on our planet!**

Because when the sun goes down, with a fresh memory of yesterday's dream, Woods again goes into the woods in search of the boogiebouters and in search of Feartopia to stop those pesky Boegedie-Boegedie monsters once and for all and liberate our world. but the boogiechauns are nowhere to be found....

He doesn't hear them sing or hum and see no shadows chasing him, but he always ends up at the same point where the North Star descends just below his nose and flies in all directions like never before!

He does not know what he is seeing and closes his eyes at that moment he is lifted up to end up in Fearland right under the mouth of a gigantic and gigantic monster.

He does not hesitate for a moment and takes out his sword with which he chops off the tail

of the monster as if he were cutting through a  
cucumber with the same sound: pop!

Another monster comes and again he cuts the  
tail off pop!

Three more pop, pop, pop!

and then a lot of Boegdie-Boegdie monsters  
come at him he tries to cut off all the tails but  
he is only alone and calls for help after which  
all the boogeymen go hunting for tails and it is  
a horrible battlefield that sounds a bit like

this:

Popperdepopdepoppopopperdepopppopop!

The Boegedie-Boegedie monsters are  
descending and yielding to the supremacy of  
the warring boogeymen and the reign of  
Woods as the sole human king of Fearland  
Feartopia! The boogeymen and women all bow  
their heads to the greatest thief we've ever  
known:

We all know him as Woods but he's king he's  
tails popper jones he's the tyrant of our  
planet we thank you for what you have  
meant to us and what you have meant to the  
whole

**world your mighty sword has shown us that  
even the greatest and most dangerous bully  
and destroyer of worlds has a weak spot!  
Thank you for the tail dolls we are all grateful  
to you!**

**Woods laughs and bows to the bogeymen and  
girls and says no thanks no thanks it's part of  
it it's part of it and then he wakes up laughing  
in the caravan and his mom asks him what  
goes with it why he says a little sugar with  
the cucumber mom that makes it all off!**

**The End of Woods The Violent The  
King, Tails Popper Jones And An  
Ordinary Boy Who Got A Chance  
To Be A King!**

**This end is anything but final  
because the Boegdie-Boegdie  
monsters are anything but forgiving!**

**The moral of this story!**

**Do you know the moral? because we've discussed a whole lot from nightmares to dreams memories and bullies to monsters and goblins to pointed hats that changed and tails poppers boogeymen and boogeygirls so much has been said that it's morally hard to think about....**

**But what if we Blue Sky and the supreme boogeyman tell you together that it has everything to do with the bullies because the bullies are monsters themselves and every monster has a weak spot even the all-destroying Boegedie-Boegedie monsters and biggest terror of the whole world including us boogeyman and girls!**

**but if you can find a bully's weak spot, you'll win the fight easier than you might think!**

**Sleep tight and until next time!**

**Until next time!**

**with friendly bows the entire  
bogeyman beater club!**
